

INSTRUCTION TO AUTHOR

A and V Pub Journal of Nursing and Medical Research (JNMR)

A and V Pub Journal of Nursing and Medical Research (JNMR) [ISSN----- (Print); ISSN----- (Online)] is an international, peer-reviewed journal devoted to nursing and medical sciences. JNMR's aim is to promote excellence in nursing and health care through the publication of clinical information and original research. JNMR publishes Original Research Articles, Short Communications, Review Articles in all areas of nursing sciences.

The journal is published quarterly every year in last week of March, June, September and December.

General

All submitted manuscripts should contain original work neither published previously nor under consideration for publication elsewhere. Articles shall be accepted from any country provided submitted in English language only. There is page limitation for articles up to 10 pages; the authors must strive to present their results as clearly and concisely as possible. Authors, in their cover note to Editor, shall have to clearly mention whether the manuscript is to be considered as a Research article, Short communications or a Review article.

Peer review policy

The journal aims at rapid publication of articles while maintaining rigorous peer review process, each article will be subjected to a minimum of two reviews by two individual reviewers. Reviewers will be insisted to review the paper within 15 days time and if he/she fail to return will be sent to other reviewer for review. All authors are requested to send one copy of manuscript to suggested one reviewer by electronically to review the manuscript not of authors' institution or affiliation and the editorials shall send second copy to enlisted reviewer for reviewing the article. The reviewer shall reviewed the article as per instruction to author, special emphasis on spelling, format of references in text and reference section, methodology, citation of journals cited, and summary and findings. Manuscripts shall go through a peer review process to adjudge their suitability and authenticity, for publication in the journal. A confirmation about the acceptance of the manuscript will be sent to e-mail address of the corresponding author. Please check your e-mail account frequently, because you will receive all important information about your manuscript through e-mail only.

Submission of Manuscript

Authors may submit the articles only through the online manuscript submission Submit a Paper system. Authors are advised to submit the articles as MS Word 2003 or 2007 format only with the pdf copy of letter for publication and copyright form duly signed by author(s), scanned.

File size

No article should exceed more than 10 pages unless necessary, authors will be requested to substantiate the need if it exceeds the maximum number of pages. The file size of the MS word format may not exceed 10 MB size for submission through manuscript submission portal of www.anvpublication.org.

Language

Language of the articles should be only in English, we are not processing articles in any other languages

Font type

Articles should be typed in single line spacing with the following font pattern

Font type : Times new roman

Size :For heading or title: 14 points and Bold (Small Letters, not capitalize the titles unnecessarily unless required)

Author/ Coauthors name: 11 points and Bold

Affiliation/ Institute name: 10 points

For subtitles: 11 points and Bold

Content of article :10 points

Table title and Content: 8 points

Submission order

The following order should be strictly followed while submitting the article

Front page: (Page-1) Title of article, authors' names, authors' institutional affiliations only and leave other spaces empty

On second page: (Page-2) Start with abstract of about 200-400 words exactly conveying the content of the article, Keywords (at least 5 words)

On third page: (Page-3 onwards) Main content text with all tables and figures aligned in their proper place (do not send tables and figures separately unless requested), List of symbols and Abbreviations, Acknowledgement, References (follow standard format),

Preparation of manuscripts:

Manuscripts should be submitted as per order: Title Page, name of author (s), Abstract, Key words, Introduction, Material and Methods, Results, Discussion, Acknowledgements (if necessary) and References. If the Result and Discussion sections are combined, then a Conclusion section should be added.

Title Page: The first page should contain a concise and informative title, the names and addresses of the authors and contact details of the corresponding author (postal address, e-mail, and fax and telephone numbers).

Abstract: It should be about 200-400 words. Key words: A maximum of 5 key words must be given at the end of the Abstract.

Introduction: This part should define the background and significance of the study by considering the relevant literature, particularly the most recent publications.

Material and Methods: Please provide concise but complete information about the material and the analytical, statistical and experimental procedures used. This part should be as clear as possible to enable other scientists to repeat the research presented.

Results: In this part, the same data/ information given in a table must not be repeated in a figure, or vice versa. It is not acceptable to repeat extensively the numerals from tables into text and give lengthy and unnecessary explanations of the Tables and Figures.

Discussion: This part must be written with reference to the tables and figures and by considering information from the literature. Statements made in the Introduction and Results sections should not be repeated here.

Acknowledgements: If necessary, a brief Acknowledgements section may be included.

References: References should be cited in the text in Arabic numerals in superscript. The references should be cited at the end of the manuscript in the order of their appearance in the text. For citation of references with three or more authors, only the first author's name followed by et al. should be used. References to journal articles, books, chapters in books, etc. should be cited, as follows:
